Petition to Commute the Death Sentence of Brett Hartmann

We, the undersigned, urge Governor Strickland to commute the sentence of Brett Hartmann.

Brett was sentenced to death on May 22, 1998 for the murder of Winda Snipes. Many questions remain unanswered concerning the facts around this case, including phone records that place Brett at home at the time of the crime, untested evidence, and contradictory results where tests have been done.

Brett received poor representation at trial and had little investigation done on his behalf. Lawyers (including his own), judges, and prosecutors involved in the case have all been accused and/or convicted of wrongdoing in a variety of circumstances since Brett's conviction.

We deeply sympathize with the family and friends of Winda Snipes, but we respectfully offer that another death will neither heal nor resolve this tragedy.
